Deputy Headteacher: Mrs Lisa Muldoon BA (Hons)

Our Ref: MHa/CJa Every child is valued, supported and empowered to achieve their unique potential.

3rd December 2025

Dear Parents/Carers

Invacuation Drill

We would like to inform you that in line with national guidelines our school will be conducting an invacuation drill on Thursday 4th December as part of our ongoing commitment to maintaining a safe and secure learning environment for all students and staff.

An invacuation is a safety procedure used when it is safer for students and staff to remain inside the building rather than evacuate. This may include situations such as environmental hazards, nearby incidents, or other external factors. The purpose of the drill is to ensure that everyone is familiar with the procedures and can respond calmly and confidently should an actual situation ever arise.

During the drill, staff will guide students through the steps in a calm and age-appropriate manner. We aim to ensure the process is reassuring rather than alarming, and teachers will be available to answer any questions students may have afterwards.

Please note that this is **only a practice drill** and there is no cause for concern.

If you have any questions, please feel free to contact the school office.

Thank you for your continued support in keeping our school community safe.

Yours faithfully

Mr M Hardwick
Headteacher
