Attendance: A Quick Guide

It is vital we work together to teach our pupils the value of attending school each and every day. At UVHS, we want every child to feel valued, supported and empowered to achieve their unique potential. We value positive relationships between both staff and pupils and we have the highest expectations across all areas of school life including attendance. We work with our pupils to ensure that they have the highest possible attendance at school as we believe this is the best way for them to succeed and to get the most out of all we have to offer.

There is a clear link between academic outcomes and school attendance. We want all pupils to achieve excellent outcomes to give themselves the very best chance in life. If you miss one session in a week (remember, there are two sessions per day so 10 sessions per week) your attendance is 90%. This means you miss 19 days of education in a year and risk dropping one grade in your GCSEs.

We do appreciate that, at times, pupils may not be able to attend school. We ask our parents and carers to follow the processes below which support our safeguarding procedures. Should you have a concern about your child's attendance, then we ask that you contact us to discuss this. We believe in strong partnerships across all parts of school life. This includes attending school.

It is also important to us that pupils arrive to school on time, and they must be at school by 8:50am.

Absence through illness or unforeseen circumstances

Call the school (01229 483900) before 8:45am on the first and subsequent absent days. Alternatively, email attendance@uvhs.uk or message us via the Edulink App. If you need to leave a message, we ask that you leave your name. Also leave your child's name, their form, and the reason for their absence. Please do expect to receive a call back from the school to discuss your child's absence and to see if we can support in any way. If pupils suffer any form of injury, then we ask that you contact the school to make us aware. This is so we can do a risk assessment with you. It will identify impacts of the injury and the support your child may need. See section 7.3 of the full policy for further information.

Attending an Appointment

Please schedule dental and non-urgent medical appointments outside of school hours. We know this might be tough for hospital visits. If rescheduling fails, your child must bring a medical letter or appointment card or you can send a screenshot via email to the attendance@uvhs.uk. We need it to keep this for our records. Pupils must be picked up and returned to school if their appointment ends during the school day. For more details, check section 6.2 of the full policy.

Known Absence

Your child may need to miss school for exceptional reasons. If so, parents/carers should ask the Headteacher. They should use the 'Extended Leave of Absence' form on the school website: [Ulverston Victoria High School - Extended Leave of Absence Y7 - 11](#) and for Sixth Form: [Ulverston Victoria High School - Leave of Absence](#) Where possible, this should be made at least four weeks before the required date. If such a request is made, the school expects it to be short. But even then, they may not be able to approve it. If the Headteacher does not authorise it, then any absence is 'unauthorised' and can incur a penalty.

We must follow legal rules. Therefore, we cannot approve holiday requests during term time. Additionally, we may issue penalty notices. For more details, please check the Attendance Policy and Procedures (section 6.1).

Support

We take absence very seriously. We are committed to supporting any child who is finding it difficult to attend school regularly. We will target support for any pupil whose attendance falls below 97%. Further information on support can be found in the full policy.

Punctuality

The school day starts at 8:50am and we expect your child to be in school at that time. Registers close at 9:20am. Lateness means they miss out on important routines which help get their day off to a positive start.

How we manage lateness to school

All students are expected to arrive to school in time to be in their seat by 8:50am each day. Students who arrive to school late without a valid explanation from a parent will be issued with a 1 hour after school detention. The school gates are locked at 8:50am so late students should enter the building via reception where they will sign in.

Registers are closed at 9:20am. Should your child arrive after this time without valid reason, they will be marked absent for the morning session, meaning they lose 50% of their attendance for that day. Lateness after the register is closed is marked as an unauthorised absence.

The rest of this document outlines our Attendance Policy and Procedures. We encourage all parents to review it to understand how we handle attendance. If getting your child to school is hard, please contact us immediately via your child's Pastoral Leader: [Ulverston Victoria High School - Contact Us](#) or call 01229 483900.

Part A - Policy

1. Introduction

Through all that we do to manage attendance, we are committed to creating a positive learning environment, supporting pupil achievement, and complying with legal requirements.

Regular attendance at school is of critical importance to a child's education. Evidence tells us that the pupils with the highest attainment at the end of Key Stage 4 and Key Stage 5 have higher rates of attendance compared to those with the lowest attainment. It is a parent's legal responsibility to ensure their child's regular attendance.

We adopt a support-first approach as set out by the DfE: [Working together to improve school attendance - GOV.UK](#)

Expect

Aspire to high standards of attendance from all pupils and parents and build a culture where all can, and want to, be in school and ready to learn by prioritising attendance improvement across the school.

Monitor

Rigorously use attendance data to identify patterns of poor attendance (at individual and cohort level) as soon as possible so all parties can work together to resolve them before they become entrenched.

Listen and understand

When a pattern is spotted, discuss with pupils and parents to listen to and understand barriers to attendance and agree how all partners can work together to resolve them.

Facilitate support

Remove barriers in school and help pupils and parents to access the support they need to overcome the barriers outside of school. This might include an early help or whole family plan where absence is a symptom of wider issues.

Formalise support

Where absence persists and voluntary support is not working or not being engaged with, partners should work together to explain the consequences clearly and ensure support is also in place to enable families to respond. Depending on the circumstances this may include formalising support through an attendance contract or education supervision order.

Enforce

Where all other avenues have been exhausted and support is not working or not being engaged with, enforce attendance through statutory intervention: a penalty notice in line with the National Framework or prosecution to protect the pupil's right to an education.

2. Aims

This policy aims to show our commitments to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [Working together to improve school attendance - GOV.UK](https://www.gov.uk/government/publications/working-together-to-improve-school-attendance)

We want to create a school environment where children feel they belong and want to come to school. However, we recognise that there will be times when there may be barriers that prevent children from attending school. In these instances, we will seek to understand the issue, provide support and work with the child and their family to help them to attend regularly as quickly as possible.

One of the most important factors in promoting good attendance is the development of positive attitudes towards school and a sense of belonging. To this end, we strive to maintain a culture in which students can thrive and have a happy and rewarding experience. In addition, we aim to foster positive and mutually respectful relationships with parents.

We aim to:

- Set high expectations for the attendance and punctuality of all students.
- Promote good attendance and the benefits of good attendance
- Celebrate and reward good attendance and punctuality.
- Act early to address patterns of absence and reduce persistent and severe absence.
- Work in partnership with parents, including regularly informing them about their child's absence and attendance levels.
- Support pupils back into school following a lengthy or unavoidable period of absence and provide support to build confidence and bridge gaps.
- Provide support, advice and guidelines to parents, pupils and staff.

This policy sets out our position on attendance and details the procedures that all parents must follow to report their child's absence from school and to remind them of their legal duty, to ensure their child attends school regularly.

This policy will be applied fairly and consistently, considering the individual needs of our pupils and their families who have specific barriers to attendance. Therefore, in the development of our policy we have considered our obligations under the Equality Act 2010 and the UN Convention on the Rights of the Child.

If the child is unable to attend the school for any reason, the parent should inform the school of the reason **on the first day of absence**. If the school is concerned about a pupil's attendance for any reason, we will contact the parent to discuss the matter, in the first instance.

We will also support parents to perform their legal duty to ensure their children of compulsory¹ school age attend regularly and will promote and support punctuality in attending lessons.

In April 2017 the Supreme Court clarified the definition of regular attendance to be attendance “in accordance with the rules prescribed by the school”, therefore if an absence is not authorised by the school, the pupil’s attendance is deemed to be irregular.

We will do all we can to encourage our pupils to attend. We will also make available the best provision we can for any pupil who needs additional support in school or who is prevented from attending school, due to a medical condition.

Please see DfE guidance documents [‘Supporting pupils at school with medical conditions - December 2015’](#), [‘Arranging a good education for children who cannot attend school because of health needs- January 2013’](#) and [Mental health issues affecting a pupil's attendance: guidance for schools - GOV.UK](#)– or ask the school for printed copies.

2.1. Effects of non-attendance

The table below indicates how what might seem like just a few days absence can result in children missing a significant number of lessons.

Attendance during school year	Days lost in a year	Which is approximately	Approximate number of lessons missed
95%	9.5 Days	2 Weeks	30 lessons
90%	19 Days	4 Weeks	60 lessons

3. Safeguarding and Attendance

Our school will monitor trends and patterns of absence for all pupils as a part of our standard procedures. However, we are aware that sudden or gradual changes in a pupil’s attendance may indicate additional or more extreme safeguarding issues. In line with government guidance [Keeping Children Safe in Education](#) we will investigate and report any suspected safeguarding cases on to the relevant authorities. As part of our safeguarding duty and our standard procedures, we will inform the Local Authority and/or the Police of the details of any pupil who is absent from school when the school cannot establish their whereabouts and is concerned for the pupil’s welfare.

4. Legislation and Guidance

This policy meets the requirements of the government guidance 2024 [Working together to improve school attendance](#) (applies from 19 August 2024) (publishing.service.gov.uk) from the Department for Education (DfE), and refers to the DfE’s 2015 statutory guidance on [School Attendance Parental Responsibility Measures](#). These documents are drawn from legislation setting out the legal powers and duties that govern school attendance including:

¹ A child becomes of ‘compulsory school age’ on the 1st January, 1st April or 1st September following their 5th birthday and ceases to be of compulsory school age on the last Friday in June of Year 11.

- The Education Act 1996
- The Children Act 1989
- The Crime and Disorder Act 1998
- The Anti-social Behaviour Act 2003
- The Education and Inspections Act 2006
- The Sentencing Act 2020
- The School Attendance (Pupil Registration) (England) Regulations 2024
- The Education (Parenting Contracts and Parenting Orders) (England) Regulations 2007
- The Education (Information about Individual Pupils) (England) (Amendment) Regulations 2024
- The Education (Penalty Notices) (England) (Amendments) Regulations 2024

5. Using data to support improvements in attendance

Any absence affects the pattern of a child's schooling and regular absence may seriously affect their learning. The Department for Education (DfE) defines a pupil as a 'persistent absentee' when they miss 10% or more schooling across the school year, for whatever reason. For pupils who miss more than 50% of possible sessions they are defined as 'severely absent'.

The school will ensure that data, including the DfE's View Your Education Data platform, is routinely monitored to identify emerging attendance issues and will seek to prevent any pupil becoming persistently or severely absent. This will include: identifying the individual needs of pupils; working closely with families and wider support services to remove barriers to attendance; and where a formalised approach in conjunction with the local authority is required in line with the DfE guidance [Working Together to Improve School Attendance](#).

6. Understanding Barriers to Attendance

In relation to understanding barriers to attendance, we will ensure where a pupil or family needs support, we will identify who is best placed to work with them to address issues.

We will support pupils and parents by working together to address any in-school barriers to attendance. Where barriers are outside of the school's control, all partners should work together to support pupils and parents to access any support they may need voluntarily. Where absence intensifies, so should the support provided, which will require the school to work in tandem with the local authority and other relevant partners.

Some pupils face greater barriers to attendance than their peers. These can include pupils who suffer from long term medical conditions or who have special educational needs and disabilities. In working with parents to improve attendance, we are mindful of the barriers these pupils face and will put additional support in place where necessary to help them access their full-time education.

Reduced timetables will only be used in exceptional circumstances, for a limited period and to support pupils to reintegrate back into education to access fulltime provision.

The school is committed to share information and work collaboratively with other schools in the area, local authorities and other partners when absence is at risk of becoming persistent or severe.

7. Staff Training on Attendance

Improving attendance requires knowledge of guidance and regulations but also expertise in working with families to remove barriers to attendance and safeguard pupils. The school will facilitate training for all staff to understand:

- the importance of good attendance and that absence is almost always a symptom of wider circumstances,
- the law and requirements of schools including on the keeping of registers,
- the school's strategies and procedures for tracking, following up and improving attendance,
- the processes for working with other partners to provide more intensive support to pupils who need it.

For staff with specialist attendance responsibilities, they will receive training to include:

- the necessary skills to interpret and analyse attendance data,
- and any additional training that would be beneficial to support pupils and pupil cohorts overcome commonly seen barriers to attendance.

Part B - What the Law Says and Our Procedures

1.Roles and Responsibilities

1a. The Governing Body

The Governing Body is responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the headteacher to account for the implementation of this policy.

1b. The Headteacher

The Headteacher is responsible for:

- ensuring this policy is implemented consistently across the school
- monitoring school-level absence data and reporting it to governors
- supporting other staff in monitoring the attendance of individual pupils and requests fixed-penalty notices, where necessary.
- Sharing information with the Local Authority as required.

1c. The Senior Attendance Champion

The Senior Attendance Champion is responsible for the strategic approach to attendance and:

- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining attendance
- Establishing and maintaining effective systems for tackling absence, and making sure they are followed by all staff
- Having a strong grasp of attendance data and oversight of data analysis
- Regularly monitoring and evaluating progress

The Senior Attendance Champion is Mr Lisa Muldoon, Deputy Headteacher and can be contacted at lmul@uvhs.uk or on 01229 483900.

1d. Attendance Officer

Mrs Emma Mason, ema@uvhs.uk 01229 483900

- Monitors attendance data at the school and individual pupil level, checking for patterns and trends among specific groups of pupils as well as individuals.
- Arranges calls and meetings with parents to discuss attendance issues as soon as they become apparent.
- Sets pupil Action Plans to improve attendance, monitors progress of these and instigates follow-up meetings as appropriate. This will involve inviting other relevant staff, i.e. Head of Year, Pastoral Leader, SENCO, or SLT over attendance
- Arranges support and relevant signposting to remove barriers to attendance. This includes referrals to outside agencies when required.
- Liaises with the Local Authority regarding persistently (below 90%) and severely (below 50%) absent pupils once internal attendance intervention has failed.

1e. Class Teachers/Form Tutors

Class teachers and form tutors are responsible for recording attendance for both morning and afternoon sessions daily and submitting this information to the school office no later than 10 minutes after the am/pm session commences.

1f. School Administration Staff

School administration staff will:

- Take calls/read messages about absence on a day-to-day basis and record it on the system.
- Pass information on to Pastoral Leaders, where appropriate, to provide parents with more detailed support on attendance.

1g. Parents

Parents are expected to:

- Make sure their child attends every timetabled session on time.
- Call the school to report their child's absence before 8.50am on the first day of absence and each subsequent day of absence and advise when they are expected to return.
- Ensure that, where possible, appointments for their child are made outside of the school day.
- Seek support, where necessary, for maintaining the good attendance of their child, by contacting the Pastoral Leader.
- Keep any attendance contracts that they make with the school for the Local Authority.

1h. Students

Students are expected to:

- Attend every timetabled lesson, on time.

2. Contents of the Admissions Register

The admission register (sometimes referred to as the school roll) must contain specific personal details of every pupil in the school along with the date of admission or re-admission to the school, information regarding parents and carers, and details of the school last attended. The school will enter pupils on the admission register at the beginning of the first day on which the school has agreed with, or been notified by the parent, that the pupil will attend.

A pupil's name can only lawfully be deleted from the admission register if a reason set out in regulation 9 of the **School Attendance (Pupil Registration) (England) Regulations 2024**.

It is vital that the admission register is kept up to date, it is a legal document. Therefore, we encourage parents to inform the school of any changes

3. Contents of Attendance Register

The law makes it clear that schools must take the attendance register at the start of the morning session of each school day and once during the afternoon session. On each occasion the register is taken, the appropriate attendance and absence code must be entered for every pupil. Please refer to **Working Together To Improve School Attendance** for the code descriptors and also the Appendix of this document. The school must record whether each pupil is:

- Attending, or
- Absent

Effective and timely use and sharing of register data is critical to safeguard children, improve attendance and is supported using our electronic Management Information System to record attendance information. Our registers will be preserved for 6 years from the date after the last entry was made.

4. Attending the School (and Lateness)

Pupils are marked present (/ \) if they are in school when the register is taken. If a pupil leaves the school premises after registration they are still counted as present for statistical purposes.

It is the duty of parents to ensure that children attend school on time. This encourages habits of good timekeeping and lessens any possible classroom disruption.

- Our pupils must arrive by 8:50am on each school day.
- Our morning register is taken at 8:50am and will be kept open until 9:20am
- Our afternoon register is taken at 1:30pm and will be kept open until 2:00pm

A pupil who arrives late but before the register has closed will be marked as late (L) – which counts as present.

If a pupil arrives after the register has closed they will be marked with the unauthorised absence code “Late after registers close” (U) which is an unauthorised absence mark.

However, if the pupil is late arriving due to a valid reason such as an unavoidable medical appointment, the absence will be authorised and coded accordingly. See DfE guidance [Working together to improve school attendance \(applies from 19 August 2024\)](https://www.gov.uk/government/publications/working-together-to-improve-school-attendance) ([publishing.service.gov.uk](https://www.gov.uk/government/publications/working-together-to-improve-school-attendance))

5. Attending a place other than the school

Pupils are marked as attending a place other than the school if they are present for the assigned session. These codes include:

- Code K: Attending education provision arranged by the local authority
- Code V: Attending an educational visit or trip
- Code P: Participating in a sporting activity
- Code W: Attending work experience
- Code B: Attending any other approved education activity
- Code D: Dual registered at another setting

Our school retains responsibilities for the safeguarding and welfare of pupils attending an approved educational activity. Our school must be satisfied that appropriate measures have been taken to safeguard the pupil. Our school should ensure that we have in place arrangements whereby providers notify the school of any absence. Our school must record the pupil's absence using the relevant absence code.

If a pupil is attending an alternative education provider such as another school or Pupil Referral Unit for part or all of their education, our school will make arrangements for the pupil to be dual registered at the other setting and mark our registers accordingly.

If a pupil is attending an alternative education provider arranged by the school, which is not a school or Pupil Referral Unit, for part or all their education, we will mark the sessions which the pupil attends the alternative setting as code B (any other approved educational activity).

The school expects the alternative provision (AP) to notify us of any absences by individual pupils, to ensure we become aware of any attendance concerns as soon as possible and take follow up action as necessary. Attendance updates will be provided on a daily basis for AP or weekly for dual registered students. Any attendance concerns will be followed up by us, in conjunction with the AP.

6. Absent – Leave of absence

A leave of absence means that the school has given approval in advance for a pupil of compulsory school age to be away from the school. These codes are classified for statistical purposes as 'authorised absence' which means the pupil's absence is with permission granted by the school. These codes include:

- Code C1: Leave of absence for the purpose of participating in a regulated performance or undertaking regulated employment abroad
- Code M: Leave of absence for the purpose of attending a medical or dental appointment
- Code J1: Leave of absence for the purpose of attending an interview for employment or for admission to another educational institution
- Code S: Leave of absence for the purpose of studying for a public examination
- Code X: Non-compulsory school age pupil not required to attend school
- Code C2: Leave of absence for a compulsory school age pupil subject to a part-time timetable
- Code C: Leave of absence for exceptional circumstance

6.1. Leave of Absence Requests – 'Exceptional Circumstances'

The law does not grant parents the automatic right to take their child out of school during term time.

Only exceptional circumstances warrant an authorised leave of absence. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance. The school will consider each application individually, considering the specific facts and circumstances and relevant background context behind the request.

The request must be made by the parent with whom the child normally lives, and permission must be sought in advance. The school will not grant leave of absence unless there are exceptional circumstances. The school must be satisfied that there are exceptional circumstances, based on the individual facts and circumstances of the case; following consultation with other staff as required, including the Designated Safeguarding Lead. Where a leave of absence is granted, the school will determine the number of days the pupil can be away from school. A leave of absence is granted entirely at the school's discretion.

Circumstances which could be authorised include significant family emergencies or funerals. However, parents will also be aware that, wherever possible, it can be better for children to continue to attend school normally during difficult family times.

Parents should complete a Leave of Absence Request form which is available on the school website: [Ulverston Victoria High School - Extended Leave of Absence Y7 - 11](#) and for Sixth Form students: [Ulverston Victoria High School - Leave of Absence](#). The request will then be passed to the headteacher for review and outcome confirmed in writing.

The request should be submitted as soon as it is anticipated; and wherever possible, at least **four weeks** before the absence. **Although such absence may be unauthorised, it is better that we know your child is safe, rather than missing.** Please be aware that you may be required to provide us with additional evidence to support your request. If we have any concerns about possible safeguarding risks, we will follow the necessary protocols.

All term time absence for children in care should be discussed at the child's Personal Education Planning (PEP) meeting in advance where possible and agreed with the Social Care and Virtual School. This permission should be gained before school is approached for approval. The school will contact the Virtual School in relation to any requests for term time absence for a child in care.

6.2 Medical/Dental Appointments

Parents should try to make appointments outside school hours wherever possible. Where appointments during school time are unavoidable, the pupil should only be out of school for the minimum amount of time necessary for the appointment. It is not acceptable for a child to miss a whole day's schooling for an appointment, unless necessary, in which case the school will need an explanation as to why this is.

No pupil will be allowed to leave the school site to attend a medical appointment during the school day without parental confirmation.

Advance notice is required for medical or dental appointments, unless it's an emergency appointment, and must be supported by providing the school with sight of, or a copy of, the appointment card or letter – only then will the absence be authorised. We are happy to accept these in hardcopy or by email at attendance@uvhs.uk

6.3 Part-time timetables - Leave of absence for a compulsory school age pupil subject to a part-time timetable

Pupils are entitled to a full-time education, suitable to their age, ability and aptitude, and any special educational needs or disabilities that they may have.

If, for any reason, our school is unable to provide a pupil with a full-time education due to the pupil's needs, we will work with the pupil, parent and other agencies where appropriate, to come to a mutually convenient arrangement. Any reduced timetables will be for the shortest amount of time possible, whilst arrangements are made to support the pupil's return to full-time provision as soon as possible.

7. Absent – other authorised reasons

Absent due to other authorised reasons means that the school has given approval in advance for a pupil of compulsory school age to be away from the school or has accepted an explanation offered afterwards as justification for absence. These codes are classified for statistical purposes as 'authorised absence'. These codes include:

- Code T: Parent travelling for occupational purposes
- Code R: Religious observance
- Code I: Illness (not medical or dental appointment)
- Code E: Suspended or permanently excluded and no alternative provision made.

7.1. Mobile pupil - Parent travelling for occupational purposes

The school will authorise the absence of a mobile pupil of no fixed abode who is unable to attend school because they are travelling with their parent who is engaged in a trade or business of such a nature as to require them to travel from place to place. This is subject to certain limits, depending on the child's age and number of sessions absent. The school will discuss cases individually with Traveller parents as necessary. Parents should let the school know of their plans as far in advance as possible. Authorised Traveller absence will be recorded appropriately in the register.

To help ensure continuity of education for Traveller children, wherever possible, the child should attend school elsewhere when their family is travelling for occupational purposes. In which case the child will be dual registered at that school and this school, which is their 'main' school.

Children from Gypsy, Roma and Traveller communities whose families do not travel for occupational purposes are expected to register at school and attend as normal. They are subject to the same rules as other children in terms of the requirement to attend school regularly.

7.2. Religious Observance

Our school acknowledges the multi-faith nature of the school community and recognises that on some occasions, religious festivals may fall outside of school holidays or weekends.

In accordance with the law, the school will authorise one day's absence for a day exclusively set apart for religious observance by the religious body to which the parent belongs. Should any additional days be necessary, they should be requested in advance using the leave of absence in term time process. Additional days taken without exceptional circumstances will be recorded in the register as unauthorised absence. If necessary, the school will seek advice from the parents' religious body, to confirm whether the day is set apart.

7.3. Illness

In most cases, absences for illness which are reported by following the school's absence reporting procedures will be authorised. That is unless the school has a genuine concern about the authenticity of the illness.

The school follows Department for Education guidance ['Working together to improve school attendance'](#) (applies from 19 August 2024)² which states that if the authenticity of the illness is in doubt, the school may ask the parent to provide medical evidence, such as a prescription, appointment card, or other appropriate form of evidence. Where a parent cannot provide any written evidence, we will endeavour to have a conversation with the parent and pupil, if appropriate, which may itself serve as the necessary evidence to record the absence.

We will not ask for medical evidence unnecessarily. In some instances, the school may ask the parent to obtain a letter from a GP, or the school may seek parental permission to contact the pupil's GP directly to help support the needs of the individual pupil.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised.

Where a pupil has a high level and/or frequency of absence, the school may require medical evidence of some description in order to authorise any future medical absences. If this is the case, the school will make the parent/s aware of this expectation in advance.

The reporting of absence due to illness remains the responsibility of the parent. Absences due to illness which have **not** been reported to the school by the parent on the first day of absence may not be authorised.

If a child is absent for more than one day, the parent should contact the school each day to provide an update on the child's condition, unless otherwise agreed by the school.

Mental Health and Wellbeing

Parents who have concerns about their child's mental wellbeing can contact our school's Pastoral Support Team for further information on the support available.

² Please ask the school for a printed copy of Working Together to Improve School Attendance if required

Parents should also contact their GP or the NHS Helpline by phoning telephone number 111 for advice if they are concerned. In case of emergency parents should dial 999.

Pupils taken ill during the school day

If a pupil needs to be sent home due to illness, this should be by agreement with an appropriately authorised member of school staff. In such circumstances, no pupil will be allowed to leave the school site without parental confirmation.

7.4. Suspensions (Exclusions)

In this policy, the word 'suspension' is used to refer to what legislation calls an exclusion for a fixed period. Suspensions and permanent exclusions are both types of exclusion, and where this policy uses the word 'exclusion' this includes both suspensions (fixed-period exclusions) and permanent exclusions.

If the school decides to send a pupil home due to their behaviour, this will be recorded as an exclusion. The school will follow the current [DfE's statutory guidance on suspensions and permanent exclusions](#). The full behaviour and exclusions policy for our school can be found on the school website. Any exclusion **must** be agreed by the Headteacher.

The school will notify the parent of the exclusion in writing. If the pupil is a Child in Care, the school will notify the pupil's carer, social worker and the Virtual School. In other instances, where a pupil is open to Children's Social Care for any reason, the school will also inform their allocated social worker.

No pupil will be allowed to leave the school site without parental confirmation.

8. Absent – unable to attend school because of unavoidable cause

In accordance with DfE school attendance guidance, our school will record pupils as 'Unable to attend school because of unavoidable cause' in the following circumstances (such circumstances are not recorded as absences and are not counted as possible attendances):

- Code Q: Unable to attend because of a lack of access arrangements
- Code Y1: Unable to attend due to transport normally provided not being available
- Code Y2: Unable to attend due to widespread disruption to travel
- Code Y3: Unable to attend due to part of the school premises being closed
- Code Y4: Unable to attend due to the whole school site being unexpectedly closed
- Code Y5: Unable to attend as pupil is in criminal justice detention
- Code Y6: Unable to attend in accordance with public health guidance or law
- Code Y7: Unable to attend because of any other unavoidable cause

9. Absent - unauthorised absence

Unauthorised absence is where a school is not satisfied with the reasons given for the absence or no reason for absence was provided.

Absence will be unauthorised if a pupil is absent from school without the permission of the school. Whilst parents can provide explanations for absences, it is the school's decision whether to authorise the absence or not.

Unauthorised absence includes:

- Absences which have never been properly explained

- Pupils who arrive at school too late to get a mark
- Day trips
- Long weekends and holidays in term time (unless very exceptional circumstances are agreed in writing, in advance by the school)
- In the case of term time leave - if a pupil is kept away from school longer than was agreed, the additional absence is unauthorised

Unauthorised absences may result in Legal Sanctions, usually Penalty Notices or Prosecutions. The unauthorised absence codes include:

- Code G – Holiday not granted by the school
- Code N – Reason for absence not yet established
- Code O – Absent in other or unknown circumstances
- Code U – Arrived in school after registration closed

10. Administrative codes

Where necessary and applicable, our school will use the defined administrative codes. These codes are not collected for statistical purposes and are:

- Code Z: Prospective pupil not on admissions register
- Code #: Planned whole school closure

11. First Day of Absence Response

Parents must contact the school when their child is absent to explain that absence. This can be done as follows: Main Switchboard, Option 1 01229 483900, Email attendance@uvhs.uk, or via the Edulink App, giving the following details:

- full name of pupil;
- pupil's Year or Tutor Group;
- full name of person reporting absence and relation to child;
- reason for absence.

Where a reason for the absence is not received by 8:45am on the day of the absence, the school will, within 2 hours, contact the parents on the same day to understand the reason for the absence. If there is no response we will follow this with a phone call.

Where further unexplained absences occur, the school will make further contact with the parent (including foster parents and/ or social workers where appropriate). This will be with the aim of understanding why the absence has occurred, and when the pupil will return.

If the school is unable to contact any of the emergency numbers provided, and is concerned for the welfare of the pupil, we may undertake our own 'safe and well' checks and/or request a Welfare Check from the police.

12. Rewarding Good and Improved Attendance

We operate attendance rewards each half term to celebrate both high attendance and improved attendance. To ensure all pupils have an opportunity to be rewarded for their efforts, pupils are given a "fresh start" for each new reward period. This means that students who have had previous absence, still have an opportunity to take part. Additionally, "Weekly Stars" are given out to those students who have shown the most improvement across the year or in comparison to previous years, this enters them to win a wider range of rewards than just the purely attendance-based rewards alone.

13. Support for Poor School Attendance (other than unauthorised term time leave)

Sometimes pupils can be reluctant to attend school. We encourage parents and pupils to be open and honest with us about the reason for the pupil's absence. If a child is reluctant to attend, it is never better to cover up their absence or for a parent to give in to pressure to let the child stay at home. This can give the impression to the child that attendance does not matter and can make things worse. As a school, we need to understand the reasons why a pupil is reluctant to attend to be able to support pupils and parents in the best way.

When we have concerns about the attendance of a pupil, we will do our best to make the parent/s aware of the concerns about their child's attendance and give them the opportunity to address this. However, if parents do not make use of the support offered and improve their child's attendance to an acceptable level, this may result in legal sanctions.

If our school refers a case of poor school attendance to the Local Authority for legal sanctions, we will show that we have warned the parent/s that they are at risk of receiving a Penalty Notice or other legal sanction.

We will not usually request legal sanctions from the Local Authority in cases where poor attendance is symptomatic of complex family circumstances. In such circumstances our school will take a holistic approach to the issue and involve other agencies as necessary. The exception to this will be where parents fail to accept or engage with support offered by the school and/or other agencies or fail to implement the suggested changes. Again, when referring for legal sanctions, we will show that we have warned the parent/s that they are at risk of receiving a Penalty Notice or other legal sanction.

If our school has safeguarding concerns about a pupil who is absent, we will share information with other agencies as we deem necessary.

14. Penalty Notices and Prosecutions

Parents have a legal responsibility to ensure that their child attends school on a regular basis. It is a criminal offence under Section 444 of the Education Act 1996 to fail to secure regular attendance of a registered pupil at the school. This applies to both resident and non-resident parents who may both be subject to legal sanctions if their child fails to attend school regularly. It also applies to others who may not be the parent but may have day to day care of the child.

Unauthorised absence from school can result in a number of different outcomes for parents and children. Each case is considered individually.

Under section 444 of the Education Act 1996, if a child of compulsory school age, who is a registered pupil at a school, fails to attend regularly at the school his/her parent(s) are guilty of an offence. Parents with more than one school aged child need to be aware that each child's irregular attendance is dealt with as a separate matter.

The school will refer cases of unauthorised absence that meet the threshold for a Penalty Notice to the Local Authority for legal action unless there are reasonable grounds for not doing so. The outcome of a referral to the Local Authority may be a Penalty Notice or Prosecution.

Penalty Notices are intended as a sanction for low level offences and a tool to support improved school attendance for example in circumstances associated with an unauthorised holiday taken during term time. They are an alternative to prosecution and may not be issued if prosecution is a more appropriate response to a pupil's irregular attendance.

A pupil's unauthorised absence from school could result in one of the following:

1. A Penalty Notice. The penalty is £80 per parent, per child payable within 21 days, rising to £160 per parent, per child if paid between 22 and 28 days. (Failure to pay will result in prosecution.) If a second Penalty Notice is issued within a rolling 3-year period the penalty is £160 per parent, per child if paid within 28 days. There will be no option to pay a lower amount.
2. Prosecution. Prosecution could lead to fines up to £2500 and /or up to 3 months imprisonment. (See DfE's statutory guidance on [School attendance parental responsibility measures](#) for more information.

Penalty Notices and prosecution proceedings are issued to each parent with responsibility for the child and are issued for each child with irregular attendance. For example, in the case of Penalty Notices, if two siblings had irregular school attendance, and there were two parents with responsibility for the children, four Penalty Notices would be issued. Penalty Notices cannot be paid in instalments.

In addition to Penalty Notices, there is a range of other legal interventions open to schools. We will work together with local authority and make use of the full range of legal interventions rather than relying solely on fixed penalty notices or prosecution, and will work closely with the local authority to decide whether to use them in an individual case after considering the individual circumstances of a family. These are: Parenting contracts, Education supervision orders, Attendance prosecution, Parenting orders, Fixed penalty notices.

15. Children Missing Education (CME)

Our school will add and delete pupils from roll in line with the law. A pupil's name can only lawfully be deleted from the admission register if a reason set out in regulation 9 of the School Attendance (Pupil Registration) (England) Regulations 2024. The school will make CME and Pupil Tracking referrals as appropriate. The school will seek advice from the local authority representative responsible for children missing education if unsure about any individual cases.

16. Following up Unexplained Absences

Where no contact has been made with the school, the school will contact parents by text, telephone or home visit to try and establish the reason for a child's absence. When we establish the reason for the absence, we will mark it as authorised or unauthorised depending on the reason for the absence. If we are unable to establish the reason for absence within 3 school days, we will mark the absence as unauthorised, using the **O** code. If we are concerned about a pupil's absence and are unable to contact the parent/s, we may contact the pupil's emergency contacts and/or other professionals or contacts of the family who we reasonably expect may be able to advise us of the pupil's whereabouts.

17. Reporting to Parents

We will contact all parents each half term regarding their child's attendance. We will inform them of what the attendance percentage means in real terms and what this represents within our school's standards. Attendance will also be shared on academic reports when issued. Parents will have the opportunity to request a detailed breakdown of their child's attendance certificate or view their marks in the Edulink App.

We will contact parents on a case-by-case basis when attendance appears to be dropping and will make them aware of the specifics of the absence accrued for that young person in the academic year.

Should attendance drop further, for any reason, we will contact parents to invite them in for a meeting to discuss what options may be available to support fewer absences from school.

18. Recording Information on Attendance and Reasons for Absence

For every day of absence, the reason will be recorded on our student information management system. We will record: the cause of absence, who informed us of the absence, what time/date we received the contact, the method of contact (text, phone, email, etc.), and what member of staff received the contact. We will also record each attempt at contact to resolve an unexplained absence.

19. Policy Monitoring Arrangements

This policy will be reviewed annually or more frequently if there are changes to legislation and guidance. At every review, the policy will be shared with the governing body.
